1.1 Who are we?

The All.co industrial group is currently one of the most important companies in the extruded aluminium sector in Italy. We have helped make the history of extrusion in Italy. Since 1973, the year our first factory in Tuscany was born, we have grown relentlessly. Today the All.co Group is a company of absolute importance in the national and international panorama in terms of organization, production capacity and quality of the offer. We design and manufacture aluminium extrusions for the industrial and construction sectors, taking care of the complete and integrated processing cycle: from the supply of primary metal to casting, from extrusion to finishing and distribution. A unique interlocutor, a vital Group, in continuous growth and always attentive to renewing and enhancing its offer. Our activity, monitored and controlled based on strict internal protocols and certified according to ISO 9001 international quality standards and ISO 14001 environmental standards, takes place in seven production sites and thirteen distribution centres throughout Italy and abroad.
